education. And, if we chose to make vocational education a greater priority in the state of Nebraska, we could supplement the federal funds, I think, through existing programs and provide necessary funding for schools to enhance their vocational education programs, if they wish to do so. So I will...again, I would suggest that I will support Senator Chambers' motion and, if it fails, would continue to oppose the bill.

SENATOR CUDABACK: Thank you, Senator Wickersham. Senator Raikes, on the motion to indefinitely postpone.

SENATOR RAIKES: Thank you, Senator Cudaback and members. I can be very brief. Although I greatly respect and admire Senator Stuhr's interest and effort on vocational education, I would agree with Senator Chambers' motion here. I don't think this is the right approach and the right time, so I am going to support the motion. Thank you.

SENATOR CUDABACK: Thank you, Senator Raikes. We're discussing the motion to indefinitely postpone. There are no further lights on, Senator Chambers, did you wish to close on your motion?

SENATOR CHAMBERS: Mr. President, members of the Legislature, as hard a man as I may appear to be on occasion, I don't believe in piling on. All of the speakers have supported the motion to indefinitely postpone this bill and they've given their reasons. I don't see the need for me to add anything in addition, except to say that I hope we will get enough votes to lay this bill to rest and not take anymore time dealing with it. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. The question before the body is whether to indefinitely postpone...Senator Stuhr.

SENATOR STUHR: I'd like to have a call of the house, please.

SENATOR CUDABACK: The question before the body is, shall the house go under call? All in favor vote aye; opposed nay.
